Independent Auditors' Report on Review of Condensed Consolidated Interim Financial Information

The Shareholders Ajman Bank PJSC

Introduction

We have reviewed the accompanying 30 September 2013 condensed consolidated interim financial information of Ajman Bank ("the Bank") and its subsidiaries (collectively referred to as "the Group"), which comprises:

- the condensed consolidated interim statement of financial position as at 30 September 2013;
- the condensed consolidated interim statements of comprehensive income (comprising a condensed consolidated interim income statement and a separate condensed consolidated interim statement of comprehensive income) for the three-month and nine-month periods ended 30 September 2013;
- the condensed consolidated interim statement of changes in equity for the nine-month period ended 30 September 2013;
- the condensed consolidated interim statement of cash flows for the nine-month period ended 30 September 2013; and
- notes to the condensed consolidated interim financial information.

Management is responsible for the preparation and presentation of this condensed consolidated interim financial information in accordance with IAS 34, 'Interim Financial Reporting'. Our responsibility is to express a conclusion on this condensed consolidated interim financial information based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed consolidated interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying 30 September 2013 condensed consolidated interim financial information is not prepared, in all material respects, in accordance with IAS 34, 'Interim Financial Reporting'.

Notes to the condensed consolidated interim financial statements - Reviewed

For the nine month period ended 30 September 2013

1. Legal status and activities

Ajman Bank PJSC ("the Bank") is incorporated as a Public Joint Stock Company. The Bank and its subsidiaries are collectively referred to as "the Group". The Bank has its registered office at A&F Towers, 1st Floor, Khalifa Street, P.O. Box 7770, Ajman, United Arab Emirates ("UAE") and was legally incorporated on 17 April 2008. The Bank was registered with the Securities and Commodities Authority ("SCA") on 12 June 2008 and obtained a license from the Central Bank of UAE to operate as a Head Office on 14 June 2008. On 1 December 2008, the Bank obtained a branch banking license from UAE Central Bank and commenced operations on 22 December 2008.

The Bank operates through 10 branches and 1 pay office in UAE. The condensed consolidated interim financial statements include the activities of the Bank's head office, branches, and subsidiaries.

In addition to above, the Bank further carries out placement activities with different special purpose entities which have been consolidated in these condensed consolidated interim financial statements in compliance with IFRS 10 – consolidated financial statements. Details of the special purpose entities are mentioned in note 21.

The principal activities of the Bank are to undertake banking, financing and investing activities through various Islamic financing and investment products such as Murabaha, Mudarba, Musharika Wakala, Sukuk and Ijarah. The activities of the Bank are conducted in accordance with the Islamic Sharia'a principles and within the provisions of its Memorandum and Articles of Association.

2. Statement of compliance

These condensed consolidated interim financial statements have been prepared in accordance with IAS 34: *Interim Financial Reporting*. These condensed consolidated interim financial statements do not include all the information required for annual audited financial statements and should be read in conjunction with the audited financial statements of the Bank as at and for the year ended 31 December 2012, which have been prepared in accordance with International Financial Reporting Standards (IFRSs) as issued by International Accounting Standards Board ("IASB") and applicable local requirements.

These condensed consolidated interim financial statements have been prepared in United Arab Emirates Dirham (AED) rounded to nearest thousand, which is the Group's functional currency.

3. Significant accounting policies

3.1 The accounting policies used in the preparation of the interim condensed consolidated financial statements are consistent with those used in the preparation of the Bank's annual audited financial statements as at and for the year ended 31 December 2012, except for the adoption of the IFRS 13 – fair value measurement, IFRS 10 – consolidated financial statements and amendments to IAS 1 – presentation of financial statements, which became effective as of 1 January 2013.

The adoption of the new and amended standards and interpretations did not have an impact on the financial position or performance of the Bank during the period, except for IFRS 10 – consolidated financial statements.

Notes to the condensed consolidated interim financial statements - Reviewed (Continued)

3. Significant accounting policies (continued)

IFRS 10 Consolidated Financial Statements and IAS 27 Separate Financial Statements

IFRS 10 establishes a single control model that applies to all entities including special purpose entities. IFRS 10 replaces the parts of previously existing IAS 27 Consolidated and Separate Financial Statements that dealt with consolidated financial statements and SIC-12 Consolidation – Special Purpose Entities. IFRS 10 changes the definition of control such that an investor controls an investee when it is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

3.2 Financial risk management

The Group's financial risk management objectives, policies and procedures are consistent with those disclosed in the annual audited financial statements as at and for the year ended 31 December 2012.

3.3 Financial assets and liabilities

The accounting policies, classifications and measurement principles for financial assets and liabilities applied by the Group in these condensed consolidated interim financial statements are the same as those applied by the Bank in its annual audited financial statements as at and for the year ended 31 December 2012.

4. Key accounting estimates and judgments

The preparation of these condensed consolidated interim financial statements requires management to make estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Such estimates are necessarily based on assumptions about several factors involving varying degrees of judgment and uncertainty, and actual results may therefore differ as a result of future changes in these estimates.

In preparing these condensed consolidated interim financial statements, the significant judgements made by management in applying the Bank's accounting policies and the key sources of estimation and uncertainty were the same as those applied to the audited financial statements as at and for the year ended 31 December 2012.

4.1 Interim measurement

The nature of the Group's business is such that income and expense are incurred in a manner, which is not impacted by any form of seasonality. These condensed consolidated interim financial statements were prepared based upon an accrual concept, which requires income and expense to be recorded as earned or incurred and not as received or paid throughout the year.

Notes to the condensed consolidated interim financial statements – Reviewed (Continued)

5. Classes and categories of financial instruments

Fair value of financial assets and financial liabilities disclosed in these condensed consolidated interim financial statements are not significantly different from their carrying values. The table below sets out the Group's classification of each class of financial assets and liabilities.
